Come here, So-Ah!
As it's me who has come to visit, pleas. don't take it out on miss.
콱

WHY ARE YOU HERE? DID YOU COME BECAUSE THE EMPEROR SENT YOU?
WHAT ARE YOU PLANNING TO PLOT THIS TIME?

When we last parted in Moon Palace, didn't you say
That when we meet the next time, we would have become enemies
Haback-nim should be thankful to me instead
Because it's thanks to me that you could come back toWater Kingdom safely like this.

If it wasn't for the peninsula I saved and brought, you would've died with that big wound as a human.
Well, I got that much as an exchange so it wasn't a bad deal.
You mean... you fed me a peninsula?
You would have already sensed a bit already....
The only peninsula left in the world Mura took, it saved your life.

Chapter 1 Jaehwa Scene
Is that true? Sinnong-nim. - no..
You mean the one in front of my eyes isn't Sinnong-nim but Dongwanggong-nim?!

Looking at his lying figure like this, even I am getting confused.
To the extent of thinking that the one who really died was Dongwanggong and I might be Singnong...
But everything is true. This is a secret only two of us know.
Nobody else should know. I'm the one dead and Sinnong is the one who lived

You mean it's a secret even to Seoh Queen Mother and HaBaek?
But.. don't you know what that means? You become the enemy who killed DongWangGong.. Is it alright if you are resented by Seoh Queen Mother and HaBaek?!
Yes
Can you go on living being hated by the family you love?

Yes Even if I get killed by Queen Mother's hands I won't blame her.
?!
In the future, I will do all work that Sinnong has been doing.
If it's only me who's dead will Queen Mother and HaBaek be safe..
This is a command as Sinnong DongWangGong was killed by Sinnong at this place today. Got it?
I, JuDong, will uphold your command.

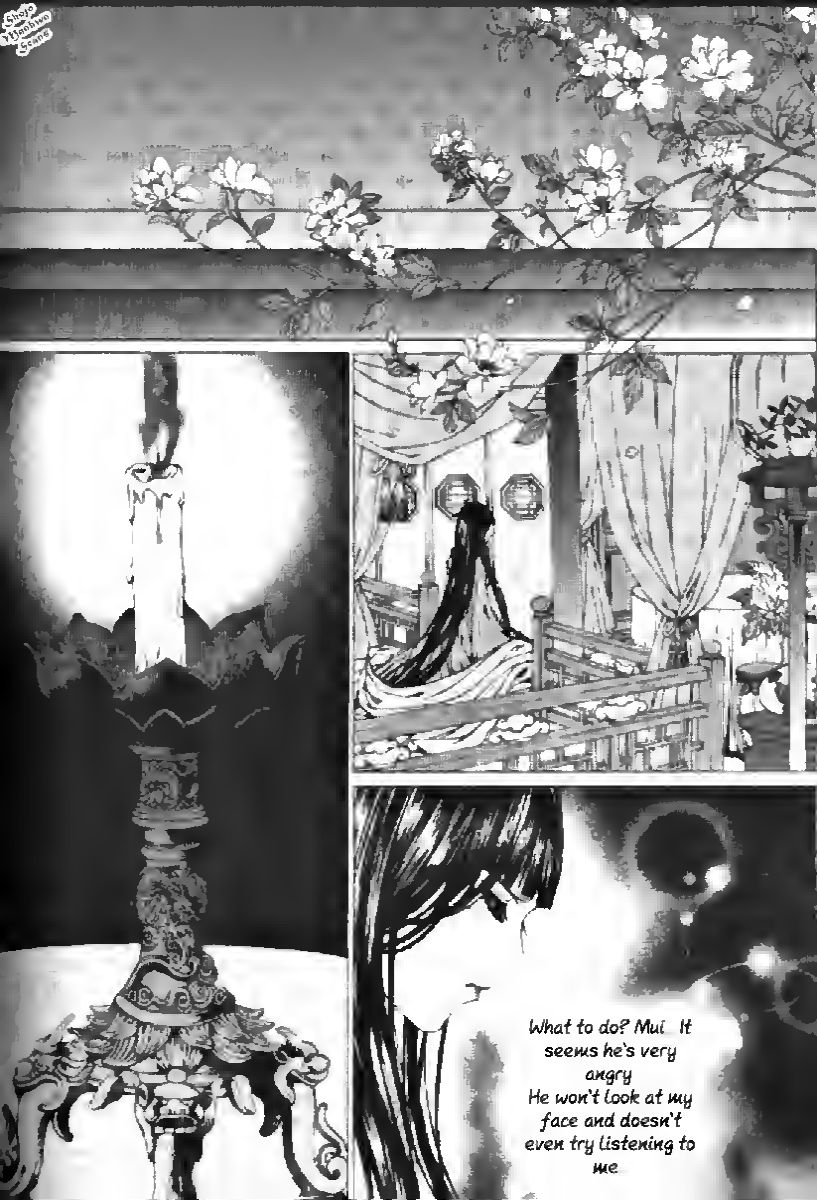
Queen
even if I can never see you even if I get killed by you
I won't regret making this decision

Bang
Mut..
.....

Had a deal? With whom?
Queen Mother Seoh.
Then what did you get in return for that deal?
That... I can't tell you.

The reason I came to Water Kingdom was because of Queen Mother's request.
She worried about the health of you, who became human, and asked to bring HaBaeknom to a safe place. Well, I think there's nomore reason to worry now.
I'm sorry I put you in such a situation because of me, HuYe...
No, I am sorry I couldn't fulfill your request, miss..

I'll let you go free today. Return.
Wait... Father... No, have Dongwanggong and mother met? Where are they?
Thank you, then.
I helped both of them meet, as promised
I don't know what happened after that. I'm sorry



What to do? Mui It seems he's very angry
He won't look at my face and doesn't even try listening to me

But what was it that HuYe got from the deal with Queen Mother?

What is it?

Dong Wang Kong-nim

Dong Wang Kong
has died...?
Mui.

Are you alright?
They say Dong Wang Kong is dead.
Everyone knew because the rumor already spread through the New World, but I didn't have a clue.
Even if I lost my memory.. How could I not have felt anything when he was dying, he's my father?

More than his death, I'm more worried about mother. Will she be alright? Has mother also...
It's ok, I'm sure both of them are alright.
Dong Wang Kong is the god of life so he coudn't have
And also you know better than anyone else that Suh Wang Mo is a strong person.

Go Mui.
Go and confirm personally whether both of them are alright.
You don't have to worry about me. I will wait for you here till you come back.

Thanks, Soah.
Yes, nothing will change if I sit here.
I have to go see Shin Nong's close friend GilsangCheonnyeo. If it's her, she'll know in more details about anything.
But are you really going to be ok? I still
Don't worry about me. I will protect Water Kingdom while you're away.

Wait alone just for a short time. I'll be right back.

Do you know me? GilsangCheonnyeo-nim.
Of course I know you. I was there at that very place when Shin Nong gave you the name 'Habaek'.
I am surprised. Back then you were a kid and now you're this grown up.

I know but I think you have come to the wrong place.
Because she would know better than anybody about the death of Dong Wang Kong.
Then you would know why I have come to see you.
Go back and ask Yohee , not me.
?!

YOHEE-!!
IS IT TRUE THAT YOU OPENED THE GATE TO THE MOON KINGDOM FOR DONG WANG KONG?
DID YOU ALSO ALREADY KNOW THAT HE WOULD DIE AT SHIN NONG'S HANDS?
THEN WHY DIDN'T YOU SAY ANYTHING TO ME ?

Yes. I don't know from whom you've heard, but everything is true.
I should've told you first with my mouth...
But there is something to tell you first before that.

Soah left Water Kingdom while you were gone
WHAT DO YOU MEAN?! SHE LEFT... DID THE EMPEROR SET SOMETHING UP
No, this is her own decision.
SHE WOULDN'T LEAVE ME -!
She asked me to give this back to you.

This is...?
Thank you, Mui. I will dearly keep this.

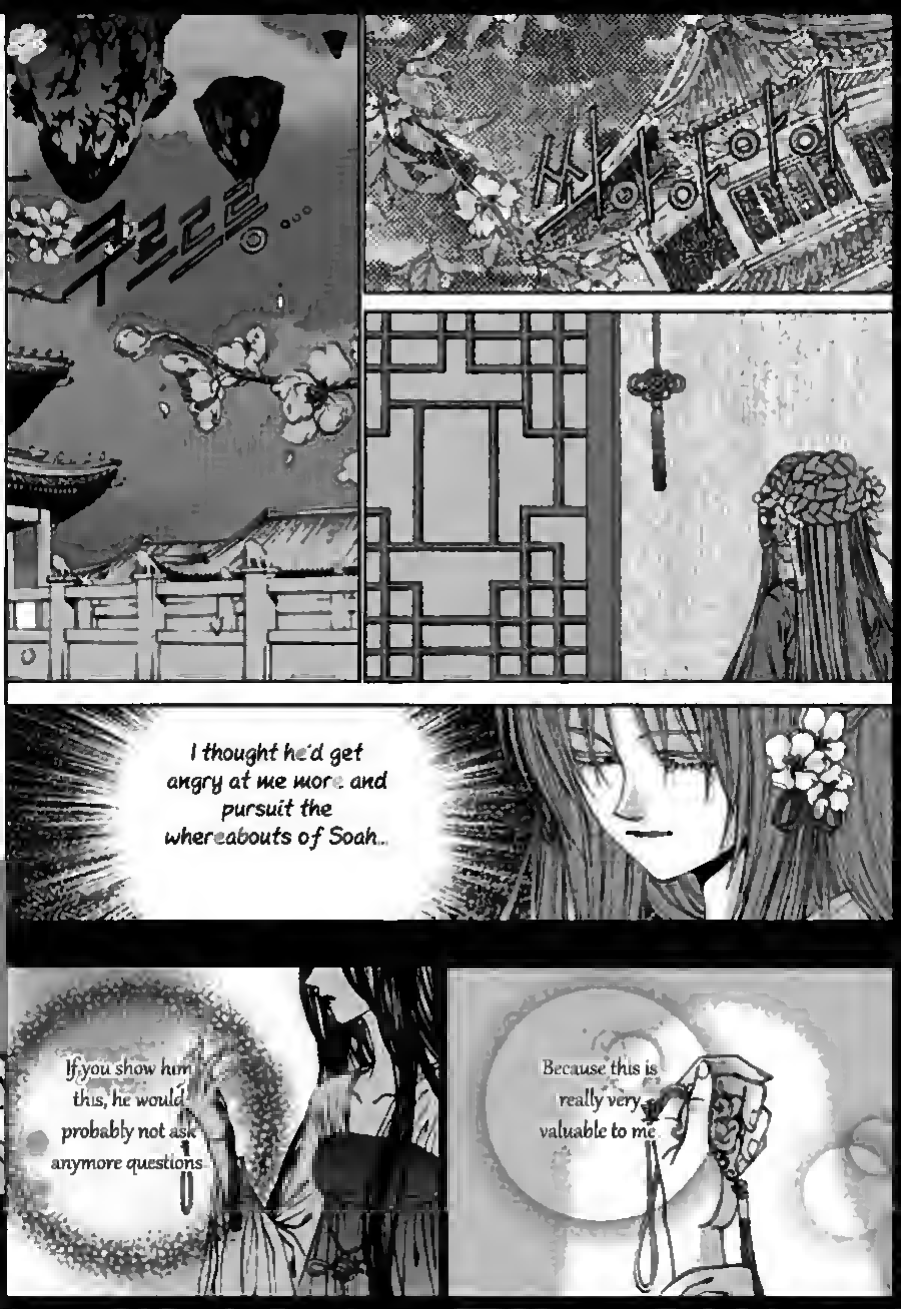
The Haback, who stood long
without saying anything,
didn't ask me anymore after that.



I thought he'd get angry at me more and pursuit the whereabouts of Soah..
If you show him this, he would probably not ask anymore questions
Because this is really very valuable to me

It's clearly the pearl chain symbolizing the love between a couple.
Returning it means ending of a couple's love.
At first, he seemed like he would immediately go after her
The Habaek who received it had, for a short moment, a painful expression but finally came back to his normal cold face
우르르릉

He didn't express it on the outside but it seems he is strongly affected
Since the Water God is that angry the human world won't be safe either

What do you mean help you escape from here, Soah?
If you leavealone, then what will happen to Habaek?
If you disappear,do you think Habaek will stay calm? He would find you even if he has to rummage the whole world.
No, maybe before Habaek can find you, he'll get caught by the King.
That's why I am requesting this of you. Please help me hide away from the gods' eyes

Why are you suddenly being formal?
I heard from Tae Eul Jin-nim that Yohee-nim is the mother of the King and Sinnong-nim Please forgive for the past disrespect.
I didn't mean to hide on purpose but I'm

But why do you want to leave Habaek?
After the marriage in Moon Palace, didn't you become a real couple?
I made an agreement with Suh Wang Mo the Queen Mother when I was in the human world.
That I will stay with Habaek till the full moon... Today is the last full moon day.
But you don't have to inevitably keep that promise
Habaek loves you so much and eventually Suh Wang Mo will come to understand

Even if it wasn't for the agree ment with Suh Wang Mo, this is a decision I made by myself after I decided not to eat the Bando fruit.
As the me, who has the lifespan of a normal human
this is all I can do for him.
No.. Actually...
Even though I said it's for him, it's for me.
He will always be in that form forever but I will grow old and miserably change.
I fear that he will leave the me that changes that way and I'm scared that I'll hate him for that.

I only want to leave the most beautiful memories
But I can't get caught and be his weakness.
So please help me, Yohee -nim.
What a foolish girl. It would be easy to just pretend to know nothing and hide behind Habaek
Saying she's running away, but it must've needed great grit
Even I, who has power, am afraid of the unforeseeable future
How scared this child must be without power

Yes. maybe helping this child run away and hide would be better than letting her get swept up in the gods' wars
It's fortunately intercalation
There isn't a better time to hide from the gods' eyes as this
Is it that Suh Wang Mo already thought of this?
Alright. I'll hide you where even the Emperor and Haback can't find you.

[Intercalation is the time when the god of the sky and earth rest their surveillance.]

Thank you, Yohee-nim.
You can't believe in the death of Dong Wang Kong before seeing with your own eyes?
If you lied to me, then I will never forgive you.
If it's not the body, but only the conscience, then even I can go to Moon Palace. The only reason I didn't go there was to avoid being caught by you.
But how are you thinking of going to Moon Palace? Are you thinking of going to Water Kingdom and ask my mother to open the gates?

What's wrong, Dong Wang Kong-nim?
Someone is coming here.

Please forgive me for coming in this state, Judong-nim
I wanted to confirm with my own eyes the rumor about my husband, so please understand. Where is he now? Tell me that the rumor is a baseless lie.
YangHee
It was something that I would have to say some time. but..
I have to tell you now with my own mouth.

The rumor is true.
I killed him with my own hands.
Suh Wang Mo-nim
?!
THAT'S NOT EVEN POSSIBLE, DON'T LIE!
YOU SPREAD A FALSE RUMOR TO TRICK THE EMPEROR, RIGHT?!
HE LEFT HABAEK AND I TO HELP YOU AND STAYED FOR SEVERAL HUNDRED YEARS
YOU CANNOT HARM HIM!
I KNOW THAT BETTER THAN ANYBODY.

IT'S NOT LIKE THAT, SUN WANG MO-NIM! THE TRUTH IS...
.....
He chose his family over the law of justice and in the end, pointed his sword at me.
I value him, but for the law of justice it was an inevitable sacrifice. I trust you will eventually understand.

It cannot be! I beg you, please don't lie even to me.
I will never believe it till I see with my own eyes.
Then I will show you. Please follow me.

Dong Wang Kong
Wake up.
It's me
Your beloved YangHee.
It's a lie, isnt it?

You promised me we would be together forever...
You swore we would live and die together...

You try to be strong but inside you you're fragile...
You, like always, keep in your path.
?
In return, I will stay at Hyunwon side, and I promise you that I will protect our precious baby.

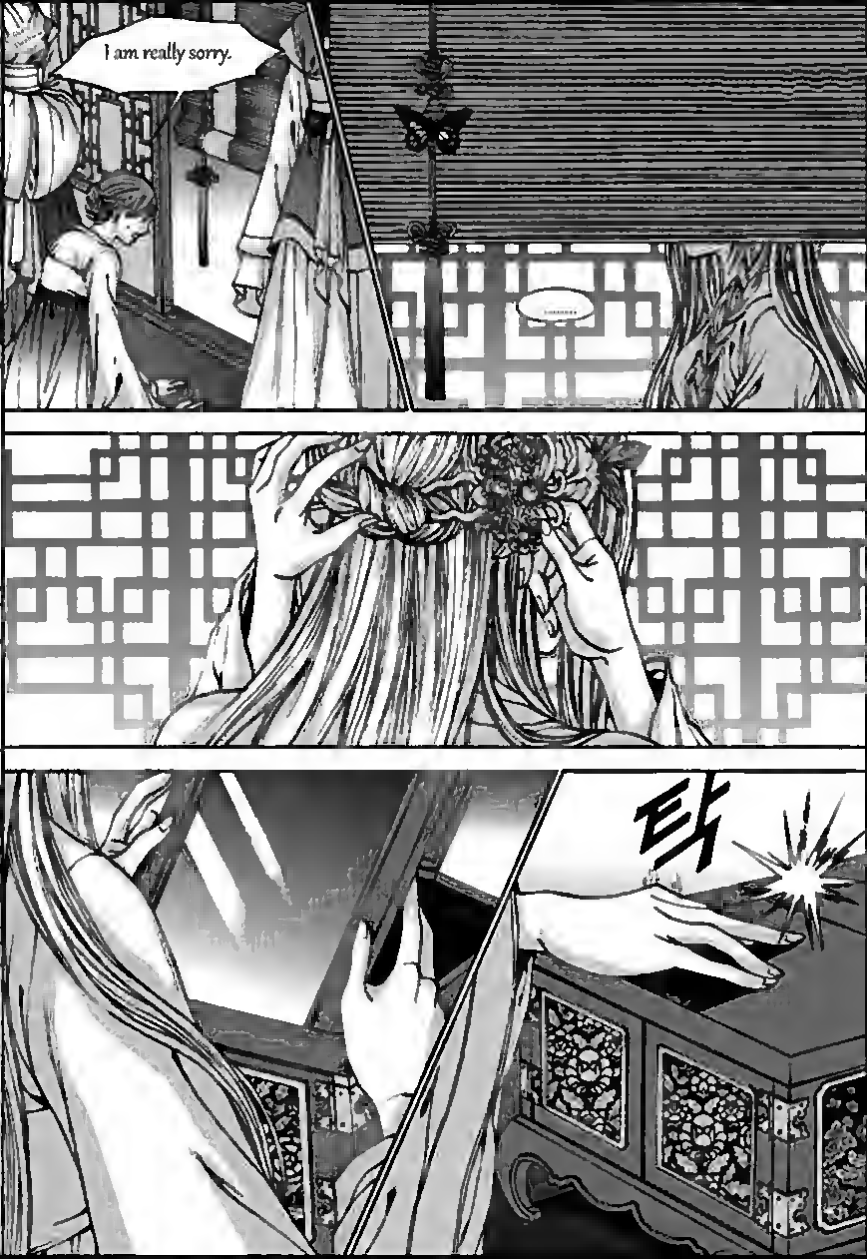
I COMMITTED A HUGE MISTAKE.
FORGIVE ME PLEASE.
I'll do the rest, so you can go.



I am really sorry.

Did you hear the story? it looks like the emperor
What? No, I doubt that.
Looking at her face do you think that he will?
There's a rumor that even her mask is better than her own face
다닥 다닥 다닥 다닥
You're welcome.
Looking that you came here so fast, i think you heard the rumors.

When i heard that the emperor had proposed to you, I was not surprised, because he does unpredictable things.
But I didn't know that you would accept.
The emperor already has 3 wives, and a lot of suitors. Are you sure that you want to marry him?
At first I was going to refuse, because he is a scary person, like the rumors says.
Emperor-!

SAVE ME EMPEROR. I AM REALLY SORRY.
PLEASE, EMPEROR. FORGIVE US.
Emperor.
Take them and kill all of them.
Please. Just save our lives.
You guys wanted to make me look guilty, and you want me to let you live? Let me be frank.

I don't pretend to...
You know that I have another plan right?
Yes, Emperor.
If what you are saying is a lie you know that the one who is going to be killed is you, right?
If my words are a lie, you cant kill me instead of them.

.....
Hmm, interesting.
Ok. Let them free.
Thank you Emperor.
What's your name?
It is Momo. but because of my ugly appearance, they call me Duokshin.
Duokshin, someone who looks like a criminals, dangerous person.

Momo.
Aren't you scared of me?
I won't lie in front of you Emperor.

He is the most superior person, Ut is a loner too.
Everyone fears him.
But the truth is, he is a good person. They just don't know, because they stay away from him.
Maybe, the emperor wants to hide something he doesn't like too
Even if you marry him. He wont love you. I am afraid that you will fall lonely, are you ok with that?
I already gave up about being loved.
Look at my face, do you think I can be loved with this face?

I distributed a mirror to everyone.

And, they all appreciated their appearance. but I didn't.

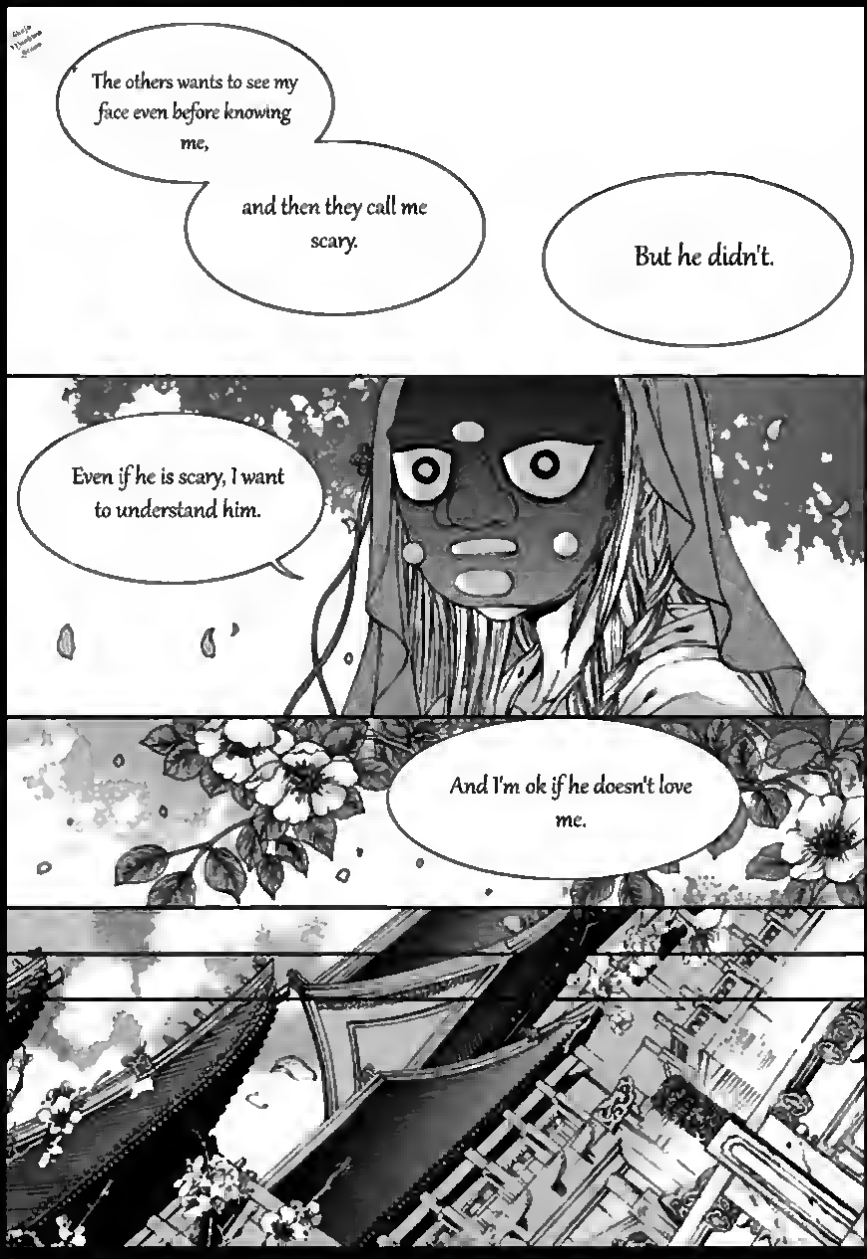
I also do not want to see my disgusting face

That person covers his face wearing mask like me.

Maybe, the emperor wants to hide something he doesn't like too.

I can understand this feelings of him.

We both have something we want to hide.



The others wants to see my face even before knowing me,
and then they call me scary.
But he didn't.
Even if he is scary, I want to understand him.
And I'm ok if he doesn't love me.

If you came all the way here, it looks like UT accepted.
Yes, but before that, I want to ask something.
Take off the mask please.
!
Even though you have a scary face, I will
Well, ok. let's make this the present of our wedding.

Is that all?
?!

...at is this? He has a handsome face
Even though he has this face, he wants to marry someone like me?
꽉
How can I show him my face?
I am really ashamed for thinking that he had an scary face like me.

Momo, are you alright?
Why are you like this?
타악
I am sorry, but I hope you forget everything that happen ...
?!

I prefer to die that showing him my face.
WAIT MOMO.
?!

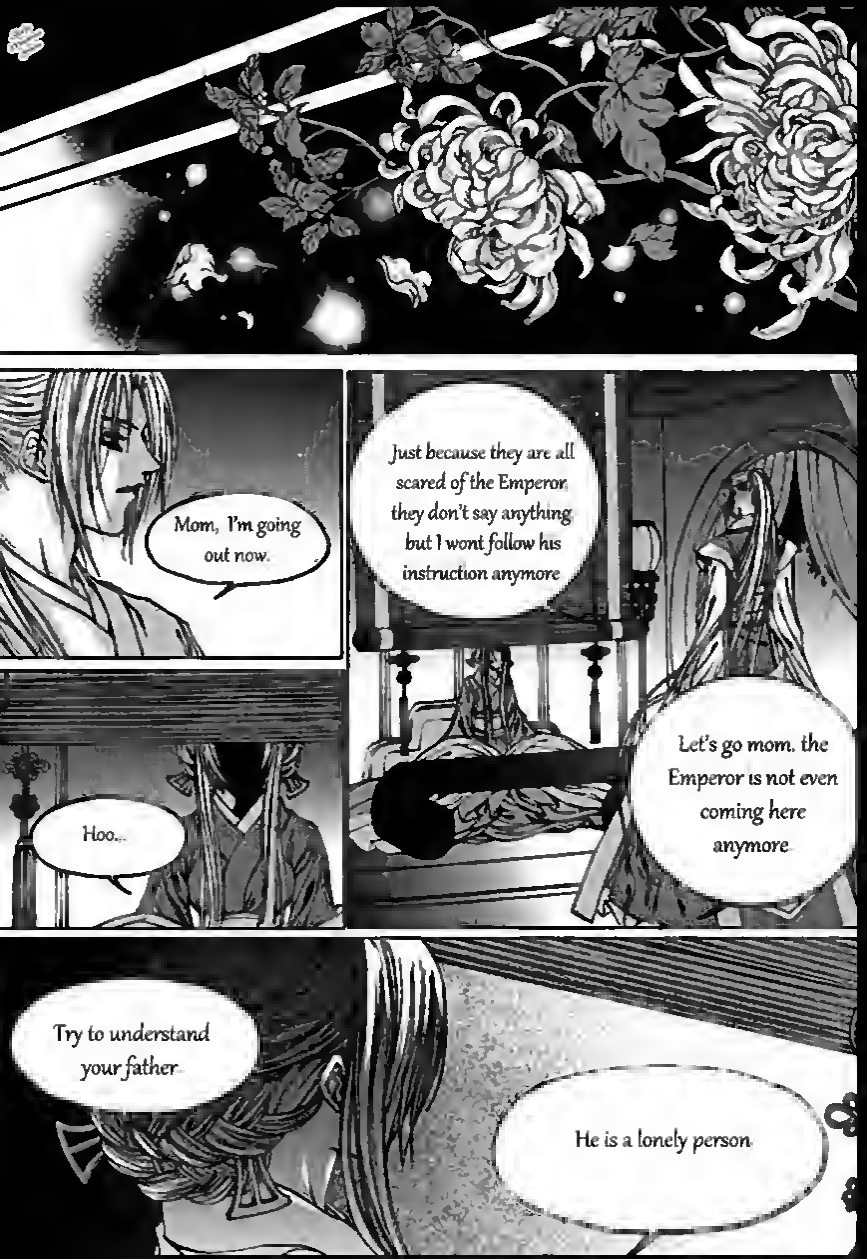
AFTER SHOWING MY FACE YOU REFUSE ME? WHAT'S THE REASON?
Just let me go, please.
I don't suit with you.
If you make me your wife, everyone will make fun of you.
And, even you will reject me when you see my face.

!!
WAIT, NO.
PLEASE, DON'T LOOK AT MY FACE.
It's alright.
You're beautiful enough.

I have a lot of wives' and sons.
But even if i have a son with you i cant give them my position.
Would you accept someone like me?
Yes...
Yes, Emperor.

Is it right that the Emperor is only going to mom's room?
Have you guys seen her face? Is it like the rumors?
Ignore what the others say about you. If you want, I can kill all of them.
It's alright. You don't have to do that for me
I know people who are different inside and out . The only one who is the same inside and out is you.

You're the only one who I can put off the mask.
!!
The person who the Emperor loves. I think I can't be that person.
The Emperor doesn't judge me, but he doesn't love me either.
I ignored it first, but now, my heart is starting to hurt.



Mom, I'm going out now.
Just because they are all scared of the Emperor, they don't say anything but I wont follow his instruction anymore
Let's go mom. the Emperor is not even coming here anymore
Hoo...
Try to understand your father
He is a lonely person

I won't go
I'm not afraid of you
Even if everyone turns their back to you, I won't.
Until the end, I will stay by your side.

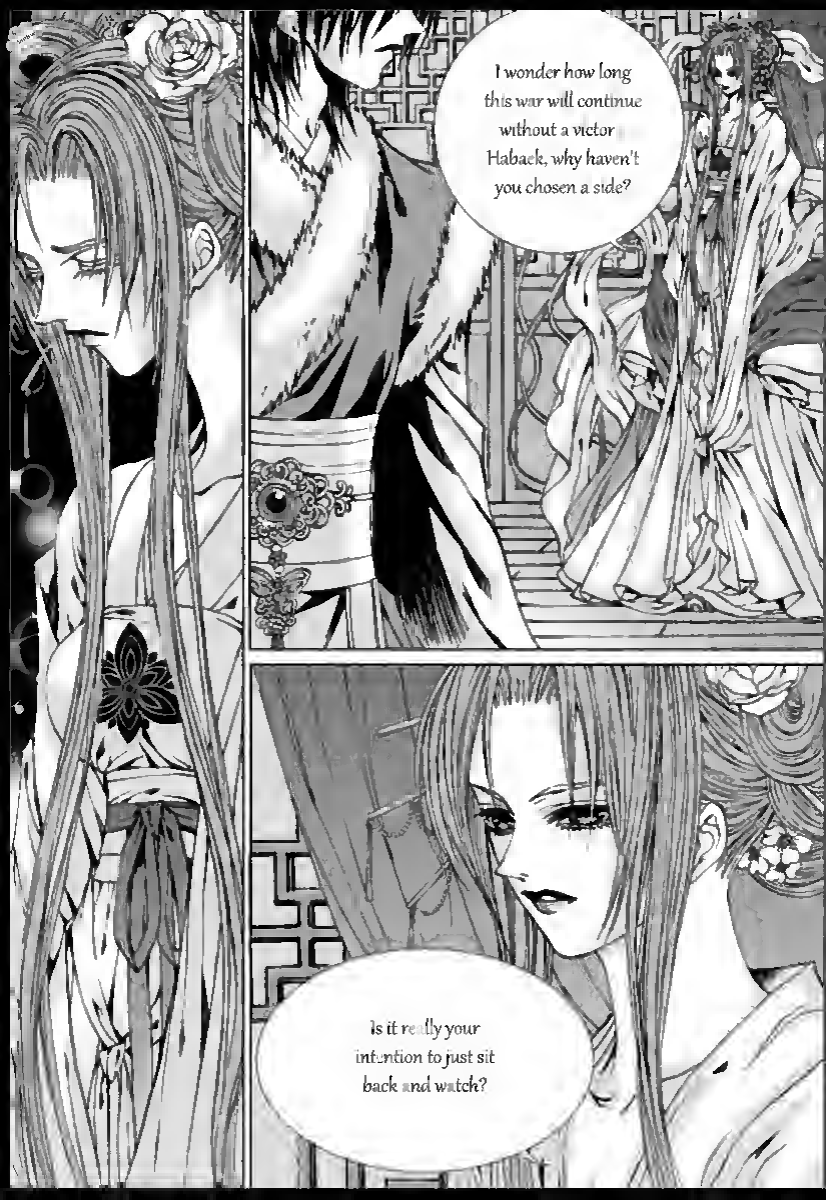
Gather all our secret troops
Yes, Dong Wang Kong
No, Lord Shin Nong

We will begin our final battle.
I will end this with my own hands

4 YEARS
LATER



I wonder how long this war will continue without a victor Haback, why haven't you chosen a side?
Is it really your intention to just sit back and watch?

Tae Eul Jin warned me from the first day I starting using my powers that my water abilities and Shin Nong's fire abilities do not go well with each other.
He has also predicted that both of us will simply kill each other if we were to meet each other in battle
If Shin Nong really killed Dong Wang Kong, I will definitely have to kill him
But since there is nothing to prove that I do not wish to be manipulated by anyone.

At the same time, Shin Nong will not be able to hurt you due to his previous vows
Therefore, you are an extremely important trump card to the Emperor
Your choice will indefinitely determine the victor of this war. If... Shin Nong really killed your father.... do you really intend to take his life?
Perhaps... It will have to come to that...

Don't you want to look for Soah?

The truth is, he has turned the entire immortal and mortal world upside down to search for her.

But I can't tell him anything

Habaek... there is also something else that I have been keeping from you

And you will definitely hate me for it if you ever find out

4 years has passed since that day
Alright, I will hide you in a place where Habaek and the Emperor will not be able to find you
Do you have a place in mind? Please feel free to speak your mind.
Then...
.....
.....
Do you really want to go there?
Alright, I will follow your wishes

Thank you Yohee-nim.
Perhaps this is really the last time
Even though I know this is dangerous... but even with one wrong step... this child's future...
Yohee-nim?

This child's life is difficult than I even expected.
Even if things will turn out this way...
The Emperor or anyone else must never ever find out what I have seen.

The flowers look as if as they are real and alive right?
These embroidery is extraordinary I would like to have this
Can you please tell me who the seamtress is?
I m sorry, Madam, I can't tell you who she is
She is a very private person Please come again next time

Uncle, here is the cloth that you wanted
Oh it's you. Thank you. Everyone loved your embroidery
Everyone is curios to find out who you really are Do you really intend to continue hiding?
I hope to remain this way
Business would have been better if the situation around here weren't so chaotic Everyone is tensed up due to the war
The witches are predicting that this is due to anger of the Gods
But these are probably tales to scare people who are ignorant. Do Gods even exist at all?
Soah, do you believe in this story?

Perhaps these stories are fabricated
But I do believe that Gods do exists

Do you intend to scare off an old man like me Even young kids don t even believe these stories now
Oh yes, you re here alone today?

Don't get separated from your mother , again, alright?
